Ehrlichia Rapid Test

Anaplasma Rapid Test

FeLV/FIV Rapid Test

Parvo Rapid Test

Giardia Rapid Test

cPL Rapid Test*

Flex4 Rapid Test

Key Features and Benefits

Simple

Three simple intuitive steps help eliminate unnecessary re-tests and the margin for human error.

Room Temperature Storage

Save fridge space and eliminate test warm-up time, while guaranteeing rapid results for your patients.

Reliable

Results you can trust delivered through proven technology.

Extended Shelf Life

Confidently eliminate lost revenue on expired test kits.

Affordable

Pass on the savings to your clients and eliminate the cost of babysitting multi-step, overpriced test kits.
